OFFICE AGREEMENT

NOTICE OF PRIVACY PRACTICES: *Family Eye Clinic* HIPAA Notice of Privacy Policy has been made available to me.

OFFICE POLICY ON PAYMENT: Unless other payment arrangements are made in advance, *Family Eye Clinic* requires payment in full for examination fees and all materials at the time of service or ordering. If an insurance claim will be filed by *Family Eye Clinic* on your behalf, you will be required to pay any deductibles and co-pays at the time of service.

INSURANCE: *Family Eye Clinic* will file your claims with your insurance company as a courtesy, but you are ultimately responsible for all fees for both services and materials delivered to you by this office. Verification of eligibility by your insurance company is not a guarantee of payment, coverage, or benefits. Not all services are covered benefits in all vision and insurance plans, and routine eye care and other selected procedures may be specifically excluded, making you responsible for the charges. It is your responsibility to know and understand what services are covered under your vision or medical policy. If you have any questions whether a service will be covered you are urged to contact your insurance company before services are provided. If we have not received payment from your insurance carrier within 45 days of initial service the balance will be transferred to you for payment.

VISION PLAN COVERAGE: The vision plan to be used must be chosen before the exam occurs and cannot be changed at a later date. If you are covered under 2 vision plans, your primary plan must be used first. If the primary reason for your visit is medical in nature, your medical plan will be billed.

MEDICAL PLAN COVERAGE: In most cases, medical insurance will cover the cost of services only if there is a medical necessity for the exam or test, such as eye infections, cataracts, diabetes, etc. If your coverage requires a referral from your primary healthcare provider to see us, it is your responsibility to obtain that referral prior to your examination.

CONTACT LENS FEES: Contact lens examinations will be subject to a contact lens evaluation fee in addition to the exam fee.

PAYMENT: We accept cash, checks, money orders Visa, MasterCard, Discover, and Care Credit. An overdraft fee of \$35.00 will be assessed for all returned checks. I understand that I will be responsible for any costs associated with the collection of past-due balances.

Authorization to Bill: I have read and understand the above information and agree to comply with these terms. I authorize my insurance company to make payment directly to Family Eye Clinic for services and/or materials rendered and I authorize the use of this signature on all insurance submissions. I authorize Family Eye Clinic to release information about me or my dependents necessary to process any and all claims for reimbursement on my behalf and/or to secure the payment of benefits by any third party payers, including, but not limited to any insurance carriers, Social Security Administration, and Worker's Compensation.

Authorization to Treat: I authorize Family Eye Clinic to furnish optometric care and services, including but not limited to diagnostic tests, examinations, and other medical procedures which are deemed necessary in the course of my care.
